EDUCATION

B.E. - CSE (AI & ML)

Chandigarh University, Gharuan

2024 - 2028 CGPA: 8.54

Intermediate - NEB (XI-XII)

Janchetana Secondary School, Nepal

2022 - 2024 CGPA: 8.5

Secondary - NEB (Grade X)

Janchetana Secondary School, Nepal

2021 - 2022 CGPA: 9.5

TECHNICAL SKILLS

BACKEND (PRIMARY)

Java Spring Boot REST APIs

JPA/Hibernate

DATABASE

MySQL MongoDB

TOOLS

Git GitHub Postman

OTHER

Python scikit-learn React JS

SOFT SKILLS

- Problem Solving
- Team Collaboration
- Time Management
- Leadership

Aayush Sapkota

Java Backend Developer · Spring Boot

CAREER OBJECTIVE

Second-year CSE (AI & ML) student at Chandigarh University seeking a backend development internship to apply strong Java and Spring Boot expertise in a professional environment. Proven ability to design RESTful APIs, implement layered MVC architecture, and manage relational databases with MySQL. Eager to contribute to scalable, production-grade backend systems while growing within a collaborative engineering team.

PROJECTS

Student Management System

Spring Boot

JPA

MySQL

Postman

- Designed and implemented **5+ RESTful API endpoints** using Spring Boot and JPA/Hibernate for full student data lifecycle management.
- Built clean **3-layer architecture** (Controller → Service → Repository), improving code maintainability and separation of concerns.
- Integrated **MySQL** with complete CRUD operations; validated all endpoints using Postman with structured test cases.

Java Login & Registration System

Java

Spring Boot

MySQL

React JS

- Developed a **full-stack authentication application** with secure login/registration backed by MySQL for persistent user management.
- Implemented **server-side input validation** and structured error responses to ensure data integrity and secure credential handling.

INTERNSHIP / TRAINING

Applied Machine Learning Intern

Backend · Spring Boot · Python

- Contributed to **backend development tasks** using Spring Boot within a team-based Agile project environment.
- Diagnosed and resolved API bugs**, improving endpoint reliability and reducing integration errors during testing cycles.
- Collaborated across team during **feature testing and QA phases**, ensuring stable and consistent application builds.

ACADEMIC ACHIEVEMENTS

- Winner** – School-level Coding & Typing Competition; ranked 1st among 50+ participants in algorithmic problem-solving.
- 2nd Place** – Hackathon "Mindforge", Chandigarh University; delivered a functional tech product under a 24-hour sprint deadline.
- Consistent Academic Excellence** – Maintained 8.54 CGPA in B.E. CSE and scored 9.5 CGPA in Grade 10.

EXTRA-CURRICULAR ACTIVITIES
